

Winter Escape Emergency Medicine Update

February 25 - March 1, 2011 Terrace B.C.

Make a winter escape for a unique conference; join us for academic programming now in its third year. Register today for a fully-accredited CME event in heli-ski country: **the 2011 Winter Escape Emergency Medicine Update.**

This program meets the accreditation criteria of the College of Family Physicians of Canada and has been accredited by the BC Chapter for up to 21 **Mainpro-M1** credits.

Daily, medical professionals will be offered valued content delivery in a relaxed setting allowing for round table discussions and case sharing. This will be matched with four days of powder filled adventures.

www.TandTadventures.com

CME venue: the Yellow Cedar Lodge, home to Northern Escape Heli-Skiing/Boarding, one of North America's top ski destinations.

Space is limited for privileged guests to enjoy four days of educational time paired with powder-filled adventures in the Skeena Mountain Range; a two hour Air Canada flight north of Vancouver.

The tuition fee is \$895 combined with an optional four day heli-ski/boarding experience for \$5690 (+5% tax). All listed prices are in Canadian funds. Price includes four night's accommodation, all gourmet meals, guiding service, powder ski/transceiver rental, and four days of heli-skiing/boarding with 57,500 vertical feet.

This curriculum has been developed to provide a therapeutic update in emergency medicine. This update will include four educational tracks, including pediatric emergency medicine, emergency department bedside ultrasound, challenges of suburban emergency medicine as well as trauma surgery.

Faculty

Conference Chair; Mike Wickham - MD, CCFP (EM)

Graduated U of Calgary's Medical School in 1994. Completed family residency in 96 and achieved EM certification in 1997, both from U of Calgary. Now an Emergency Medicine Physician with Canmore General Hospital. This father of two has been the Chief of Medical for the Women's World Cup Downhill Races at Lake Louise for the past seven years. Dr. Wickham has been the co-chair to the rural ER conference for the past three years and was the Keynote speaker at the Family Medicine forum in Calgary, 2009. Dr. Wickham is the author of the rural airway module (interactive web-based tutorial) produced for the Rural Physicians Action Plan of the AMA.

Anthony Crocco - MD, FRCPC (PEM)

Dr. Crocco graduated McMaster Medical School in 1997 and completed Pediatric Residency at McMaster in 2001. Crocco completed the Pediatric Emergency Fellowship at McGill in 2003. Since 2003 has been working in the Pediatric ER at the University of Alberta Hospital in Edmonton, Alberta. Holds position as Associate Professor with the University of Alberta. He enjoys snowboarding, mountain biking and playing jazz piano.

Jonathan Theoret - MDCM

Dr. Theoret was born and raised in Montreal, QC. He attended medical school at McGill University and is currently a senior emergency medicine resident in the FRCPC program at the University of Alberta, in Edmonton. When not busy travelling the world or heli-skiing, Dr. Theoret's interests include emergency department bedside sonography, continuing medical education and critical care.

Rohan Lall MD, FRCS(C) FACS

Dr. Lall graduated from the University of Toronto Medical School in 1998. He completed his General Surgery Residency at Queen's University in Kingston, Ontario in 2003. Upon completion he went to the University of California, San Diego where he completed his Trauma Fellowship in 2005. Dr. Lall joined the Division of General Surgery at Foothills Medical Centre / University of Calgary in September 2005. Dr. Lall's primary interests are in trauma surgery, acute general surgery and surgical education. Research Interests in trauma resuscitation and trauma outcomes.
